A MILLION DREAMS

I close my eyes and I can see
A world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we design

**'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make**

There's a house we can build
Every room inside is filled
With things from far away
Special things I compile
Each one there to make you smile
On a rainy day

They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy
Runaway to a world that we design

**'Cause Every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make**

However big, however small
Let me be part of it all
Share your dreams with me
You may be right, you may be wrong

But say that you'll bring me along
To the world you see
To the world I close my eyes to see
I close my eyes to see

Every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
(A million dreams, a million dreams)
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make

For the world we're gonna make

All Of Me

What would I do without your smart mouth?
Drawing me in, and you kicking me out
You've got my head spinning, no kidding, I can't pin you down
What's going on in that beautiful mind
I'm on your magical mystery ride
And I'm so dizzy, don't know what hit me, but I'll be alright

My head's under water
But I'm breathing fine
You're crazy and I'm out of my mind

'Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me
I'll give my all to you
You're my end and my beginning
Even when I lose I'm winning
'Cause I give you all of me
And you give me all of you, ohoh

How many times do I have to tell you
Even when you're crying you're beautiful too
The world is beating you down, I'm around through every mood
You're my downfall, you're my muse
My worst distraction, my rhythm and blues
I can't stop singing, it's ringing, in my head for you

My head's under water
But I'm breathing fine
You're crazy and I'm out of my mind

'Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me
I'll give my all to you
You're my end and my beginning
Even when I lose I'm winning
'Cause I give you all of me
And you give me all of you, ohoh

Give me all of you
Cards on the table, we're both showing hearts
Risking it all, though it's hard

'Cause all of me
Loves all of you
Love your curves and all your edges
All your perfect imperfections
Give your all to me
I'll give my all to you
You're my end and my beginning
Even when I lose I'm winning
'Cause I give you all of me
And you give me all of you

I give you all of me
And you give me all of you, ohoh

BELIEVER

First things first
I'm a say all the words inside my head
I'm fired up and tired of the way that things have been, oh ooh ooh
The way that things have been, oh ooh ooh
Second things second
Don't you tell me what you think that I can be
I'm the one at the sail, I'm the master of my sea, oh ooh ooh
The master of my sea, oh ooh ooh
I was broken from a young age
Taking my sulking to the masses
Write down my poems for the few
That looked at me, took to me, shook to me, feeling me
Singing from heartache, from the pain
Taking my message from the veins
Speaking my lesson from the brain
Seeking the beauty through the...

Pain

You made me a, you made me a believer, believer

Pain

You break me down, you build me up, believer, believer

Pain

**Oh let the bullets fly, oh let them rain
My life, my love, my drive, it came from**

Pain

You made me a, you made me a believer, believer

Third things third
Send a prayer to the ones up above
All the hate that you've heard has turned your spirit to a dove, oh ooh ooh
Your spirit up above, oh ooh ooh

I was choking in the crowd
Building my rain up in the cloud
Falling like ashes to the ground
Hoping my feelings, they would drown
But they never did, ever lived, ebbing and flowing
Inhibited, limited
'Til it broke up and it rained down
It rained down, like

Pain

You made me a, you made me a believer, believer

Pain

You break me down, you built me up, believer, believer

Pain

Oh let the bullets fly, oh let them rain

My life, my love, my drive, it came from

Pain

You made me a, you made me a believer, believer

Last things last

By the grace of the fire and the flames

You're the face of the future, the blood in my veins, oh ooh ooh

The blood in my veins, oh ooh ooh

But they never did, ever lived, ebbing and flowing

Inhibited, limited

'Til it broke up and it rained down

It rained down, like

Pain

You made me a, you made me a believer, believer

Pain

You break me down, you built me up, believer, believer

Pain

I let the bullets fly, oh let them rain

My life, my love, my drive, it came from

Pain

You made me a, you made me a believer, believer

BLINDED BY YOUR GRACE – PART 2

**I'm blinded by your grace
I'm blinded by your grace, by your grace
I'm blinded by your grace
I'm blinded by your
Lord, I've been broken
Although I'm not worthy
You fixed me, I'm blinded
By your grace
You came and saved me
Lord, I've been broken
Although I'm not worthy
You fixed me, now I'm blinded
By your grace
You came and saved me**

One time for the Lord
And one time for the cause
And one round of applause
One time for Fraser T Smith on the chords
I feel we got one
I stay prayed up then I get the job done
Yeah I'm Abigail's youth, but I'm God's son
But I'm up now, look at what God's done
Now I rule tour, look at what God did
On the main stage runnin' 'round topless
I phone Flipz and I tell him that we got this
This is God's plan, they can never stop this
Like wait right there, could you stop my verse?
You saved this kid and I'm not your first
It's not by blood and it's not by birth
But oh my God what a God I serve

**Lord, I've been broken
Although I'm not worthy
You fixed me, I'm blinded
By your grace
You came and saved me
Lord, I've been broken
Although I'm not worthy
You fixed me, now I'm blinded
By your grace
You came and saved me**

**I said a prayer this morning
I prayed I would find the way
To another day, I was so afraid
'Til you came and saved**

You came and saved me
And the rain was pouring
'Cause the sun faded away
Now I'm in a better place
No longer afraid
Blinded by your grace
You came and saved me
I said a prayer this morning
I prayed I would find the way
To another day, I was so afraid
'Til you came and saved
You came and saved me
And the rain was pouring
'Cause the sun faded away
Now I'm in a better place
No longer afraid
Blinded by your grace
You came and saved me

Lord, I've been broken
Although I'm not worthy
You fixed me, I'm blinded
By your grace
You came and saved me
Lord, I've been broken
Although I'm not worthy
You fixed me, now I'm blinded
By your grace
You came and saved me

DIAMONDS

Shine Bright like a Diamond
Shine Bright like a Diamond

Find light in the beautiful sea
I choose to be happy
You and I, you and I
We're like diamonds in the sky

You're a shooting star I see
A vision of beauty
When your near me, I'm alive
We're like diamonds in the sky

I knew that we'd become one right away
Oh right away
At first sight I felt the energy of sun rays
I saw the life inside your eyes

**Shine bright, tonight you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the sky**

**Shine bright like a diamond
Shine bright like a diamond
We're beautiful like diamonds in the sky
Eye to eye**

Help A Child Belong

One single voice cries out in the night,
longing for a family,
a future that looks bright.
Given the chance who wouldn't want the same?
A need to fit in somewhere,
a place that you can claim.

But sometimes it's better not to dream,
sometimes you're on your own.
Everyone needs the chance to dream,
everyone needs a home.

**To be heard is all we're asking,
with one single voice.
Take a chance on someone, with
one simple choice.
Cos' everyone has dreams,
every heart a song.
Make a difference,
and help a child belong.**

Think of how you'd feel if a sudden change in life, caused the
people that you love,
to not be by your side.
I know it may be hard, but imagine if you can;
hundreds (thousands) of children out there, who
need a helping hand.

But sometimes it's better not to dream,
sometimes you're on your own.
Everyone needs the chance to dream,
everyone needs a home.

**To be heard is all we're asking,
with one single voice.
Take a chance on someone, with
one simple choice.
Cos' everyone has dreams,
every heart a song.**

**Make a difference,
and help a child belong.**

Aah Aah Aah

Aah Aah

Be the change in a child's life,

give support, give time.

Nothing can beat watching a child shine...

**To be heard is all we're asking,
with one single voice.**

**Take a chance on someone, with
one simple choice.**

**Cos' everyone has dreams,
every heart a song.**

**Make a difference,
and help a child belong.**

Make a difference,
and help a child belong.

I Want a Mum

I want a mum that will last forever
I want a mum to make it all better
I want a dad that will last forever
I want a dad that will love me whatever
I want a mum that'll take my hand and make me feel like a holiday
A mum to tuck me in that night and chase the monsters away
I want a dad to read me stories and sing a lullaby
And if I have a bad dream to hold me when I cry. Oh,

**I want a mum that will last forever
I want a mum to make it all better
I want a dad that will last forever
I want a dad that will love me whatever, forever**

When she says to me, she will always be there
To watch and protect me I don't have to be scared
Oh, and when he says to me I will always love you
I won't need to worry 'cause I know that it's true
I want a mum, when I get lonely, who will take the time to play
A mum who can be a friend and find a rainbow when it's grey
I want a dad to read me stories and sing a lullaby
And if I have a bad dream, to hold me when I cry. Oh,

**I want a mum that will last forever
I want a mum to make it all better
I want a dad that will last forever
I want a dad that will love me whatever, forever**

**I want a mum that will last forever
I want a mum to make it all better
I want a dad that will last forever
I want a dad that will love me whatever, forever**

SKIN

When I heard that sound
When the walls came down
I was thinking about you
About you

When my skin grows old
When my breath runs cold
I'll be thinking about you
About you

Seconds from my heart
A bullet from the dark
Helpless, I surrender
Shackled by your love
Holding me like this
With poison on your lips
Only when it's over
The silence hits so hard

'Cause it was almost love, it was almost love
It was almost love, it was almost love

**When I heard that sound
When the walls came down
I was thinking about you
About you
When my skin grows old
When my breath runs cold
I'll be thinking about you
About you**

When I run out of air to breathe
It's your ghost I see
I'll be thinking about you, about you

It was almost love, it was almost...

We bleed ourselves in vain
How tragic is this game?
Turn around, I'm holding on to someone
But the love is gone
Carrying the load, with wings that feel like stone
Knowing that we nearly fell so far now
It's hard to tell

Yeah we came so close, it was almost love
It was almost love, it was almost love
When I heard that sound

**When the walls came down
I was thinking about you
About you
When my skin grows old
When my breath runs cold
I'll be thinking about you
About you
When I run out of air to breathe
It's your ghost I see
I'll be thinking about you, about you**

I reached out for your hand
When the walls were caving in
But I see you on the other side
We can try all over again

**When I heard that sound
When the walls came down
I was thinking about you
About you
When my skin grows old
When my breath runs cold
I'll be thinking about you
About you
When I run out of air to breathe
It's your ghost I see
I'll be thinking about you, about you**

It was almost love
It was almost love
It was almost love
It was almost love

STRONGER

You know the bed feels warmer
Sleeping here alone
You know I dream in colour
And do the things I want
You think you got the best of me
Think you've had the last laugh
Bet you think that everything good is gone
Think you left me broken down
Think that I'd come running back
Baby you don't know me, cause you're dead wrong

**What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone
What doesn't kill you makes a fighter
Footsteps even lighter
Doesn't mean I'm over cause you're gone
What doesn't kill you makes you stronger, stronger
Just me, myself and I
What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone**

You heard that I was starting over with someone new
They told you I was moving on over you
You didn't think that I'd come back
I'd come back swinging
You try to break me, but you see

**What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone
What doesn't kill you makes a fighter
Footsteps even lighter
Doesn't mean I'm over cause you're gone**

**What doesn't kill you makes you stronger, stronger
Just me, myself and I
What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone**

Thanks to you I got a new thing started
Thanks to you I'm not the broken-hearted
Thanks to you I'm finally thinking about me
You know in the end the day you left was just my beginning
In the end...

**What doesn't kill you makes you stronger
Stand a little taller
Doesn't mean I'm lonely when I'm alone
What doesn't kill you makes a fighter
Footsteps even lighter
Doesn't mean I'm over cause you're gone
What doesn't kill you makes you stronger, stronger

THIS IS ME

I am not a stranger to the dark
Hide away, they say
'Cause we don't want your broken parts
I've learned to be ashamed of all my scars
Run away, they say
No one will love you as you are

But I won't let them break me down to dust
I know that there's a place for us
For we are glorious

When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
I am brave, I am bruised
I am who I'm meant to be, this is me
Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen
I make no apologies, this is me

Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh, **oh-oh-oh, oh-oh-oh, oh, oh**

Another round of bullets hits my skin
Well, fire away 'cause today, I won't let the shame sink in
We are bursting through the barricades and
Reaching for the sun **we are warriors**
Yeah, that's what we've become (yeah, that's what we've become)

I won't let them break me down to dust
I know that there's a place for us
For we are glorious

When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
I am brave, I am bruised
I am who I'm meant to be, this is me
Look out 'cause here I come
And I'm marching on to the beat I drum

Oh-oh-oh-oh

Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh, **oh-oh-oh, oh-oh-oh, oh, oh**
This is me

and I know that I deserve your love
(Oh-oh-oh-oh) 'cause there's nothing I'm not worthy of
(Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh)
When the sharpest words wanna cut me down
I'm gonna send a flood, I'm gonna drown them out
This is brave, this is proof
This is who I'm meant to be, this is me

WHAT ABOUT US

La-da-da-da-da, la-da-da-da-da
Da-da-da

We are searchlights, we can see in the dark
We are rockets, pointed up at the stars
We are billions of beautiful hearts
And you sold us down the river too far

What about us?

What about all the times you said you had the answers?

What about us?

What about all the broken happy ever afters?

What about us?

What about all the plans that ended in disasters?

What about love? What about trust?

What about us?

We are problems that want to be solved
We are children that need to be loved
We were willing, we came when you called
But man, you fooled us, enough is enough, oh

What about us?

What about all the times you said you had the answers?

What about us?

What about all the broken happy ever afters?

What about us?

What about all the plans that ended in disasters?

Oh, what about love? What about trust?

What about us?

[Instrumental Break]

What about us?

What about all the plans that ended in disasters?

What about love? What about trust?

What about us?

(Solo Plus BVS)

Sticks and stones, they may break these bones

But then I'll be ready, are you ready?

It's the start of us, waking up come on

Are you ready? I'll be ready

I don't want control, I want to let go

Are you ready? I'll be ready
'Cause now it's time to let them know
Are you ready?

What about us?
What about all the times you said you had the answers?
what about us?
What about all the broken happy ever afters?
what about us?
What about all the plans that ended in disasters?
What about love? What about trust?
What about us?
