

Eisteddfod Gadeiriol Treuddyn

The Eisteddfod will be held in the school hall on Saturday October 5th. The Eisteddfod will start at 11am. The children have been practising at school.

The Meithrin and Reception will be the first to compete.

Following them will be year 1 and 2 and then 3 and 4 followed by years 5 and 6. It is impossible to give you a time it always depends on how many compete but we can give an estimated time nearer the time.

If your child wants to compete in the musical instrument competition, and I am aware some of you have contacted school on how to do this.

- Let school know that you wish for your child to compete and we will pass the message on to the Committee.
- The adjudicator will need a copy of the piece. If you send the piece to school we will photocopy and pass it on.
- Come along to the Eisteddfod to compete

😊 Good Luck
